APRIL 1ST 2009

SINCE 2003...

Once again we find ourselves fortunate enough to celebrate our anniversary and in the time since Nakama's conception the Yaoi world has changed so much. Many groups have spawned, many have died and a few remained to continue in sharing the love.

We really can do nothing but say sincerely thank you to everyone who has helped keep Nakama thriving another year. From the people who breathed new life into our small group by joining, to the staff that kept plugging away quietly and steadfastly determined to produce the best we can, to the scanners who have sacrificed their own money and scans to bring happiness to so many others, to the regulars chatting in all of our venues. You're the ones who truly keep the community alive, every single fan who has picked up one of our releases and dropped us a thank you.

So, thank you! Without you, Nakama wouldn't exist and our world would be a lot less interesting (to say the least!) ^__^
